

Experienti@ Project: Font Romeu, France

Logistics Program

Dear participants,

The Experienti@ Project, together with the French Federation of Swimming (FFN), created a logistics program that you can take advantage for the mobility.

You can stay 3 nights (2nd to 5th april) at the swimming centre where the activities will be held. **The price is 300€**, with hotel + restaurant included. We inform that the days proposed cannot be changed.

Regarding transportation for the centre, there will be a bus leaving from the International Airport of Barcelona.

The bus would leave the airport to the centre at 4pm (local time) on 2nd april.

On the 9th of april, the bus would leave the centre to the airport at 9am (local time), so it would reach the airport at 12am.

Important note: the International Airport of Barcelona is the only airport where we will be doing this transportation service, so if you wish to use it you need to go there until the day and time informed.

The price for the round trip is 150€.

So, if you wish to use both services, the total would be **450€**.

We more inform that you can use only one of the services or none, if you prefer to book everything by yourself.

The payment method will be informed as soon as possible.

If you wish to use any of this services, inform the Experienti@ Team (experientia@fpnatacao.pt) until the 12th of March. **Any show of ineterest after this date will not be taken into consideration.**

For transportation services, also inform us your flights and the estimated time your flight will reach the International Aiport of Barcelona.

Thank you,

Experienti@ Team
