The organizer reserves the right to limit the maximum number of heats in the disciplines according to the propositions below.

The swimming club, or national federation can register the competitor on the basis of lap times in the period from 1.1.2020 to the deadline for application for this event. The times will be verified on swimrankings.net portal. The best performance per discipline will be taken into account as the nomination performance, regardless of the pool in which this time was swum. If the times or performances cannot be verified on the swimrankings portal, it is necessary to add a confirmation letter from the national federation.
